High Street Bridge over Bear Gulch Brook

Brian Weaver, P.E., Greenman-Pedersen Inc.

Please join us for a dinner meeting of Eastern New York Chapter of ABCD for a one-hour presentation of the Replacement of High Street Bridge over Bear Gulch Brook. The presentation will go over the coordination needed to replace an existing through truss bridge with a more modern truss bridge of a similar appearance while in a cultural resource sensitive setting. Also, the presenter will discuss the unique nature of having a bridge span over an existing dam as well as some of the design and construction challenges that were faced.

Members: \$40 (\$25 for Government/Non-Profit)

Non-Members: \$50

Students: \$10

First time ABCD attendees will be charged at Member's rate

This program includes dinner & provides 1.0 Professional Development Hour
